EVENTS](#)

[REPORT YOUR OUTREACH AND  
ENGAGEMENT ACTIVITIES](#)

## CONGRATS, KUDOS, COOL STUFF, AND THUMBS UP!

- Congratulations to Roger Wiens, who received the Purdue [Herbert Newby McCoy Award](#) for making the greatest contribution of the year to the natural sciences!
- Congratulations to Stephanie Olson and Michael Sori on their promotion to Associate Professor for the 2025-2026 academic school year!
- Another congratulations to Daniel Chavas, Yunyue Li, and David Minton on their promotion to Full Professor for the 2025-2026 academic school year!
- Good luck to Kaustub Anand in his Preliminary Exam: **Wednesday, April 9 at 9 AM in PHYS 298** and on Zoom for those who can't attend in person. Join in at: <https://purdue-edu.zoom.us/j/9278767894?omn=95502070176> with the meeting ID: 927 876 7894

## NEWS/OPPORTUNITIES AT PURDUE

### EAPS SEMINAR – VALERIE PAYRE

**Thursday, April 10, 3:30 pm in HAMP 1252**

Valerie Payre is an assistant professor at the University of Iowa. Hosted by Briony Horgan.

### PURDUE UNDERGRADUATE RESEARCH CONFERENCE

The Purdue Undergraduate Research Conference is the largest showcase of undergraduate research. This judged event highlights the scholarly work and creative endeavors undergraduate students have been engaged in through oral or poster presentations. **April 8-11**. [Click here for more information](#).

### PURDUE ELECTRON MICROSCOPY CENTER OPEN DAY

**Thursday, April 9, 9:30 am** at Burton D. Morgan

Center for Entrepreneurship Room 121, 1201 Mitch Daniels Blvd. West Lafayette

This will be a facility open day to help the Purdue community learn more about our electron microscopy capabilities on campus. A poster session will take place, talks about the center will be given, and lunch will be provided. Posted on behalf of Peng Zuo.

### EAPS AWARD RECEPTION SAVE THE DATE

The annual EAPS awards reception will take place on **Friday, May 2, 2025**. It will be held in the Shively Club at Purdue Ross-Ade Pavilion from 5pm-9pm. Drinks and dinner will start at 5:00 and the reception opening will begin around 6pm. Registration was sent out by email via EAPS-SCI.

### 2025 3MT COMPETITION

Help us spread the word! We are inviting the Purdue community to learn more about the world changing research being conducting at Purdue. Join us for the 2025 Three Minute Thesis (3MT) competition—where graduate students and postdoctoral researchers condense years of research into compelling, three-minute presentations using just one slide!

Event Details:

**Date:** April 15, 2025

**Time:** 7:00 PM – 9:00 PM

**Location:** Fowler Hall, Stewart Center

[Register for free today!](#)

---

### **GSA EAPS BAKE-OFF!**

It's time for the 3<sup>rd</sup> annual EAPS Bake Off! This year's competition will take place on the afternoon of **April 25<sup>th</sup> in HAMP 3214**. This event brings together students, staff, and faculty to share baked goods and participate in some friendly competition. You can participate as a baker, judge, or simply attend the open-door portion to sample everyone's bakes!

Interested in being a baker? [Sign up here](#). Want to be a judge? [Fill out this form](#). Make sure to submit them before **Wednesday, April 9<sup>th</sup>**.

---

### **SENIOR HONORS CELEBRATION**

Mark your calendar and join us as we celebrate the incredible achievements of you, one of our outstanding seniors, at the *Spring into Excellence: Senior Honors Celebration!*

**Date: May 1, 2025**

**Time: 3:00 – 5:00 PM ET**

**Location: DSAI 1069**

This special event will honor the hard work and dedication of many of our outstanding seniors in the College of Science. Connect with peers, professors, and mentors while enjoying crafts, interactive activities, and delicious refreshments!

---

### **UNIVERSITY OF SCOUTING - GEOLOGY/OCEANOGRAPHY MERIT BADGE**

On **Saturday, 6 December**, Scouting America (formerly Boy Scouts of America) will host a University of Scouting event on Purdue's campus. They are looking for volunteers who can teach the geology or oceanography merit badges (see attached). Courses can run 9am-12pm or 1-4pm. If you are interested, please reach out to Byron Haverstick, Chief Operating Officer of the Sagamore Council, at [Byron.haverstick@scouting.org](mailto:Byron.haverstick@scouting.org). He will work with you on supplies, pre-work from the scouts, background checks, etc.

---

### **DEFENSE CIVILIAN TRAINING CORPS - PURDUE UNIVERSITY**

Purdue's Defense Civilian Training Corps (DCTC) is a new program that will build civilian careers in the Department of Defense relating to acquisition, digital technologies, critical technologies, science, engineering, and finance and more. The Defense Civilian Training Corps is a scholarship-for-civilian service award.

---

### **EAPS GRAD STUDENT RESEARCH OPPORTUNITIES**

If you are interested in an EAPS grad research opportunity, [click here](#) for more information.

---

### **EAPS Community Social Hours**

On behalf of the EAPS DEI Committee, we are writing to affirm our department's dedication to building an inclusive learning environment where students, postdocs, staff, and faculty from diverse backgrounds and perspectives can succeed. Our department is committed to creating a welcoming and inclusive culture where everyone can thrive as their full authentic selves. We also want to acknowledge that current events happening at the local, state, national, and global level can impact what we're able to bring to our science and work. Going forward, we will be hosting EAPS "Community Social Hours" on **Tuesdays from 1:30–2:30 pm in HAMP 2201** that are open to all to be together, support each other, and build community. Please feel free to stop by and hang out. You can join us for a cup of coffee or to eat your lunch, chat about what's on your mind, bring your laptop and brainstorm how to make a cool new plot, or come sit with us and just 'be'. You are welcome to invite friends and colleagues from other parts of campus as well. – Dr. Ali M. Bramson and the DEI Committee.

## **OUTREACH NEWS**

**If you or your group has worked with or helped with an activity for K-12 students or teachers, please fill out the [departmental outreach activity form](#).**

# MEETINGS/EXPOS/ OPPORTUNITIES OUTSIDE OF PURDUE

## Next Generation Fellowship

The Next Generation Fellowship is a 2 year program for students currently enrolled in graduate studies related to Earth System Sciences at a North American university (USA, Mexico, Canada). This program provides the opportunity for Fellows to explore the interplay between Earth System Science and its impact on society.

During their two year fellowship, Fellows pursue one of three tracks - Earth System Science Research; Transdisciplinary and Convergence Research; or Science Policy - collaborating with UCAR experts while participating in dedicated professional development and leadership training opportunities. Each Fellow receives a \$40,000 fellowship award over two years (\$10,000 twice per year); up to 20 weeks of paid research trips to Boulder, Colorado or Washington, D.C. or other agreed upon location; funding to attend conferences, professional coaching; and the support of a like minded cohort. We are holding information sessions on [March 14th](#) and [April 22](#). Click on each date to register. Applications must be submitted in full by **May 31st, 2025** via the UCAR program website: <https://www.ucar.edu/opportunities/fellowships/ucar-next-generation-fellowships> For more information, please reach out to our Program Coordinator, [Claire Rafferty](#).

## Join Central IN AWG for a Spring Hike

Join the Central Indiana Chapter of AWG for a Spring Hike at Mounds State Park on **Sunday, April 13**. We will begin the event at 12 with a social picnic - bring a sack lunch! The hike will start at ~ 12:45 pm. *The Details:*

- Where to meet in the park: We will meet at the large parking near the visitor's Center: [https://www.in.gov/dnr/state-parks/files/mounds\\_trail.pdf](https://www.in.gov/dnr/state-parks/files/mounds_trail.pdf)
- Where are we hiking: We plan to hike trail 5, a 2.5 mile moderate loop
- When to arrive: Arrive at 12 for a social BYO sack lunch and a 12:45 start to the hike
- Cost: state park entry is \$7/vehicle for in-state vehicles and \$10/vehicle for out-of-state

- We welcome all members, interested members, and friends to this event! Please RSVP here: <https://tinyurl.com/mrtvxztj>

## 41<sup>st</sup> Int. Conf. on Radar Meteorology

*Abstract submissions now open!*

The [41st International Conference on Radar Meteorology](#) is organized by the [AMS Committee on Radar Meteorology](#) and hosted by the American Meteorological Society. The organizers are soliciting oral and poster presentations on a variety of topics.

### **August 25 – 29, 2025 in Toronto, Canada & Online**

Volunteer students are needed for registration and audio/visual support during the conference. Student volunteers are required to be in attendance the entire conference, and be available to work at least a full day from Monday through Friday (with a training on Sunday). For volunteering, the student will get their registration fee waived and \$40.00 per day for food allowance. This program is a first come, first served basis. A limited number of students will be needed for the conference. Those students interested should please contact [Jessica Hanley](#) for details.

## Northern Illinois Field Methods in Environmental Geosciences Summer Course

The Department of Earth, Atmosphere and Environment at Northern Illinois University will be offering our Field Methods in Environmental Geosciences course (EAE 477, 5 credits) this summer from **May 19 – June 18, 2025**. Our environmental field camp is designed to train students in field methods and integrative problem-solving preparing students for careers in the environmental geosciences sector.

The course covers topics such as field methods in hydrogeology, surface water and vadose-zone hydrology, water quality analysis, environmental surface geophysics, site evaluation and techniques, and regional landscape history and environmental change.

We accept undergraduate and graduate students. Students must have taken a hydrogeology course before enrolling in this field course. For more information please go to our [website](#) or contact [Megan Brown](#).

NIU also offers OSHA's Hazardous Waste Operations & Emergency Response (HAZWOPER) training through a 1 credit course, EAE 408, which will be offered **May 12 – 16, 2025**. The 40-hour HAZWOPER Training is required for many environmental geoscience jobs and is a great addition to any

resume. Housing is also available on campus during this course. For more information, please visit to our [website: go.niu.edu/HAZWOPER](http://go.niu.edu/HAZWOPER).

**Accepting Applications for Office of Science Graduate Student Research Awards**

The U.S. Department of Energy's (DOE) Office of Science is pleased to announce that the Office of Science Graduate Student Research (SCGSR) program is now accepting applications for the 2025 solicitation 1 cycle. Applications are due on Wednesday, **May 7, 2025, at 5:00 p.m. ET.**

SCGSR application assistance workshops will be held **on March 6, 2025, 2:00 p.m.–3:30 p.m. ET and April 10, 2025, 2:00 p.m.–4:30 p.m. ET.** The first workshop will provide a general overview of the program and the application requirements. It will also include a time for attendees to discuss their potential research topics and their alignment with the SCGSR priority areas with managers of each participating program office; [register here](#). The second workshop will guide attendees through the application process, answer general questions, provide guidance on proposal writing, and feature discussions with scientists and former awardees; [register here](#). SCGSR is open to U.S. Ph.D. students in qualified graduate programs at accredited U.S. academic institutions, who are conducting their graduate thesis research in targeted areas relevant to DOE's Office of Science. More information on the SCGSR program can be found by visiting the [SCGSR program website](#), by [emailing the SCGSR team](#), or by attending the program's virtual office hours which will be held every Friday 3:00–4:00 p.m. ET starting on March 7, 2025, via this [Zoom link](#).

**WESTERN KENTUCKY UNIVERSITY SEEKING FOUR M.S. GRAD STUDENTS**

The Department of Earth, Environmental, and Atmospheric Sciences ([EEAS](#)) at Western Kentucky University ([WKU](#)) is inviting applications for four M.S.-level [graduate students](#) to start **August 2025**. Students will work as a part of the state-wide CLIMBS (<https://kynsfepscor.uky.edu/climbs/>) initiative, a 5-year, \$20 million National Science Foundation EPSCoR grant to advance research in climate resilience for Kentucky. The successful applicants will be expected to contribute to one of the following projects: (a) Identification and analysis of the synoptic-scale atmospheric environments associated with high-impact weather; (b) Dynamical downscaling of future 21st century climate projections for the Mid-South region of the

U.S.; (3) Comprehensive assessment of historical state-wide weather and climate-related threats and hazards; and (4) An historical, wide-ranging study of casualties associated with high-impact weather and climate events.

These positions include a 12-month stipend and tuition. Applicants should have a B.S. degree in the atmospheric, environmental, or geographic sciences, or a closely related discipline. Prior experience in computer programming (e.g., Python, FORTRAN, NCL, Linux shell scripting) is necessary, and experience in application to climatic processes, numerical weather simulation, and/or AI-driven data analytics is preferred. Interested candidates are encouraged to contact Dr. Jerry Brotzge (<[Jerald.brotzge@wku.edu](mailto:Jerald.brotzge@wku.edu)>) for more information.

**MASTER OF ARTS IN TEACHING EARTH SCIENCE RESIDENCY PROGRAM**

The [Master of Arts in Teaching Earth Science Residency Program](#) in the Richard Gilder Graduate School at the American Museum of Natural History in New York City is **looking for graduates with Earth and space science backgrounds** (geology, mineralogy, paleontology, oceanography, astronomy, environmental geology, and more) who want to make a difference in the world of STEM education. This teaching fellowship combines coursework, mentoring, and real-world experience to prepare Earth and space science graduates for **rewarding careers as culturally responsive middle and high school teachers**.

All degree candidates will receive **free tuition, books, and a \$40,000 stipend** towards the cost of living. In return, candidates commit to teaching in a high-needs school for three years.

With a sole focus on preparing new Earth science teachers, the program is a full-time, 15-month Master's degree program that takes place at the Museum and in urban partner schools. We seek a student body with a passion for social justice and diverse life and career experiences.

**We are currently accepting applicants for the class that will begin in June 2025.** Prospective students are encouraged to attend an Information Session or to contact us for more information.

You can also visit the program website to learn more and/or join our mailing list (make sure to click MAT for Earth Science Grads). For questions, you can contact the program office directly at [mat@amnh.org](mailto:mat@amnh.org) or (212) 313-7464.

### POST-DOC OPPORTUNITY - AIR FORCE SCIENCE & TECHNOLOGY FELLOWSHIPS

The National Academies of Sciences, Engineering, and Medicine administers postdoctoral and senior research awards at the U.S. Air Force Research Laboratory (AFRL), the U.S. Air Force Institute of Technology (AFIT), and the U.S. Air Force Academy (USAFA) under the [Air Force Science & Technology Fellowship Program \(AF STFP\)](#).

Seeking highly qualified candidates who are U.S. citizens and hold, or anticipate earning, a doctorate in a variety of fields of science or engineering.

**Application deadline dates (four annual review cycles): February 1, May 1, August 1, November 1**

Awardees have the opportunity to:

- Conduct independent research in an area compatible with the interests of the Air Force laboratories
- Devote full-time effort to research and publication
- Access the excellent and often unique Air Force research facilities
- Collaborate with leading scientists and engineers
- Awardee benefits:
- Base stipend starting at \$76,542; may be higher based on experience
- Health insurance (including dental/vision), relocation benefits, and a professional travel allowance

Applicants should contact prospective AFRL, AFIT and USAFA Research Adviser(s) at the lab(s) prior to the application deadline to discuss their research interests and funding opportunities.

For detailed program information, to search for AFRL, AFIT, and USAFA Research Opportunities, and to contact prospective Research Adviser(s), visit [www.nas.edu/afstfp](http://www.nas.edu/afstfp).

---

### AWG BRUNTON AWARD AND BRUNTON FIELD PROJECT AWARD

The AWG Brunton Award and Brunton Field Project Award promote the future of field mapping and data acquisition for the upcoming generation of people whose gender identity has been historically underrepresented in the geosciences. Applicants should have a passion for and

exceptional experience with field work, including internships, field camp, coursework with a field-based research component, or research. The AWG Brunton Award has been active for >20 years and provides Brunton compasses to 1–2 awardees each year. The AWG Brunton Field Project Award started in 2022 and awards a Brunton compass and up to \$1000 to support field activities to each of 1–2 awardees each year. [Learn more here](#). Deadline for entry is Dec. 15<sup>th</sup> of each year.

---

### RECRUITMENT FOR CoCoRaHS

The Community Collaborative Rain, Hail, and Snow Network (CoCoRaHS) is looking for more weather observers throughout Indiana and beyond. By participating in CoCoRaHS, farmers contribute valuable data that supports better agricultural decisions, weather-related products, and faster recovery during severe weather events. The application for U.S. participants is at <https://www.cocorahs.org/application.aspx>
